WARNING

The flood insurance rate map and other flood data used by the county Floodplain Administrator in evaluating flood hazards to proposed developments are considered reasonable and accurate for regulatory purposes and are based on the best available scientific and engineering data. On rare occasions greater floods can and will occur and flood heights may be increased by man-made or natural causes. Issuance of this floodplain verification, shall not create liability on the part of San Jacinto, the County Floodplain Administrator or any officer or employee of San Jacinto County in the event of flooding or flood damage does occur.
